

Junior High Student Council

By: Taylor Hartzell

Junior High Student Council has elected.

Four people from each class (6th, 7th, & 8th) have been nominated.

Whoever was interested in being in Student Council signed up in their homeroom classroom. Each class voted for

who would represent them the best. The 6th grade they voted for Jenna Brosted, Paige Flater, Evan Moore, and Kyra Wright. The seventh grade voted for Cassidy Fronk, Luke Geist, Orianna Lebal, and Aubrey Meddaugh. Fi-

nally, from the eighth grade we have Noelle Strzok - President, Andrew Brosted - Vice President, Taylor Hartzell - Secretary, and Carley Yeager - Treasurer. Congratulations to all who are on JH Student Council.

New School Schedule - Alyssa Lee and Georgia O'Connor

We have conducted a survey on what students think of the new schedule. The sixth grade class was not included because they were not in junior high last year,

and so did not experience the old schedule. The seventh grade class had three that did like the new schedule and eight that didn't like it. The eighth grade class had less than half in favor

of the new schedule with a total of twelve. Perhaps some opinions will change throughout the year as students get used to the new schedule.

every other day and every other Friday. I felt like the students

needed to review a lot more because of the length of time between classes. The part I don't like is that it seems that there is less prep time, so it seems more rushed.”

CFYF Knights - Josh Jones and Josh Willmarth

The Knights CFYF team has had a great season. In the last three regular season games our opponents didn't even score a point. Although, our first game was a lost to the Cadott Hornets.

“We've had a great season.” Coach Stender said. He is the offensive coach for the team, and the defensive coach is Troy Story. Our last game was at Dorias Field in Chippewa Falls vs.

The Predators. It was a hard fought game that went into five overtimes. In the end we lost by two points with a score of 34-32. It was a game to remember.
